

Youth Family and Community Connections
is hosting a 2 day Conference titled:

Working Together to Make a Difference

This Conference will:

- Unpack the ingredients to effective partnerships
- Challenge the way you think about collaboration
- Address challenges when working collectively

Michelle Swallow

Michelle is a highly experienced facilitator, mentor and change manager. Michelle has an energetic and engaging style. She is influenced by a strong commitment to social justice and making a difference.

Phil Preston

Phil has assisted social enterprises, social businesses, charities and not for profits with their challenges in creating strategic relationships with the private sector and government in developing regional collaborations.

We will ensure that participants are able to take away key learnings from the Conference and apply them to their everyday work. We will do this by focusing on work that is practical, realistic and achievable.

**Morning Tea and Lunch Provided
One day \$120; Two Days \$210**
